3. Read the text below and answer the question.

Using the Internet is the most popular activity among teenagers. It has both advantages and disadvantages. If the teens use it to get information, make research or read e-books, it is okay. What about if they just play online games for hours, visit chat rooms and meet strangers or ignore their homework for watching films and videos? I guess parents should be very careful. They should talk to them about the Internet use hours and keep them away from the computer. Otherwise, it is inevitable that their children may become Internet addicts in a short time.

Which of the following is NOT correct according to the text above?

- A) Teenagers may meet strangers on the Internet.
- B) You can use the Internet for only school assignments.
- C) Parents should talk to them about the Internet usage hours.
- D) The Internet has good and bad sides for teenagers.
